Australian Buses and Coaches is the definitive guide to the history, development, and operation of buses and coaches in Australia. This comprehensive book covers everything from the early days of horse-drawn buses to the latest state-of-the-art coaches.

Author Jonathan Black has spent years researching and writing about Australian buses and coaches. He has interviewed key figures in the industry, consulted with experts, and pored over historical documents. The result is a book that is both authoritative and engaging.

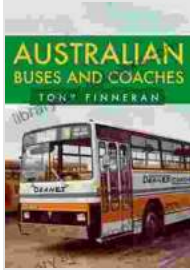

Australian Buses and Coaches is divided into three parts. The first part provides a history of the industry, from its humble beginnings to its modern-day prominence. The second part covers the different types of buses and coaches that have been used in Australia, from single-deck buses to double-deck coaches. The third part discusses the operation of buses and coaches, including topics such as scheduling, routing, and maintenance.

Australian Buses and Coaches is a valuable resource for anyone who is interested in the history, development, or operation of buses and coaches in Australia. It is also a great read for anyone who simply enjoys learning about the history of transportation.
