A Gripping True Crime Story

Bob Huey, Me Wendy Christensen is a true crime story that will keep you on the edge of your seat from beginning to end. Wendy's account of her life with Bob Huey is both horrifying and heartbreaking.

Huey was a master manipulator who used his charm and charisma to control and abuse his victims. He isolated Wendy from her family and friends, and subjected her to years of physical and emotional abuse.

In 1981, Huey was convicted of murdering his first wife, Linda. Wendy testified against him at his trial, and her testimony helped to put him behind bars.

But Huey's reign of terror was not over. In 1984, he escaped from prison and went on the run. He eventually tracked Wendy down and attempted to murder her.

Wendy survived Huey's attack, and she has since dedicated her life to helping other victims of domestic violence.
