## **Enter the Shadowed World of Obsession**

In the heart-stopping pages of Jonathan Kellerman's "Compulsion: An Alex Delaware Novel," renowned psychologist Alex Delaware finds himself drawn into a labyrinth of obsession and concealed desires. As he unravels the intricate web of a brilliant psychologist's unraveling mind, Delaware confronts the dark abyss of human compulsion that can lead to both extraordinary brilliance and devastating consequences.

## **A Descent into the Mind of a Genius**

Dr. Jeremy Carrier, a celebrated psychologist, stands as a beacon of intellectual prowess, renowned for his groundbreaking research on compulsion. Yet, beneath the surface of his acclaimed success lurks a secret obsession that threatens to consume his life—a compulsion that drives him to seek extreme experiences and push the boundaries of human endurance.

As Carrier's behavior becomes increasingly erratic and self-destructive, Alex Delaware is tasked with unraveling the enigma surrounding his friend and colleague. With the keen eye of a seasoned detective and the empathetic insights of a psychologist, Delaware delves into the depths of

Carrier's psyche, navigating a treacherous landscape of obsession, desire, and hidden motives.

## **Unveiling the Hidden Truths**

Delaware's relentless investigation leads him down a twisting path, where every revelation brings him closer to the heart of Carrier's compulsion. Along the way, he encounters a cast of enigmatic characters, each with their own secrets and connections to the unraveling psychologist. A seductive actress, a possessive wife, a brilliant but troubled student—the threads of their lives intertwine, creating a complex tapestry of intrigue and suspense.

As Delaware digs deeper, he discovers that Carrier's obsession has roots in a tragic past and a childhood trauma that has haunted him for decades. The lines between professional detachment and personal involvement blur as Delaware confronts his own demons while attempting to save his friend from self-destruction.

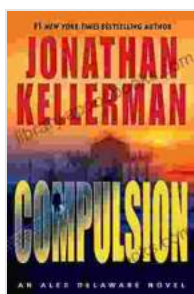

## **A Psychological Thriller That Grips and Unnerves**

With his trademark psychological acuity and relentless suspense, Jonathan Kellerman weaves a gripping tale that probes the darkest recesses of the human psyche. "Compulsion" is a riveting journey into the labyrinth of obsession, where the boundaries between genius and madness intersect. Kellerman's intricate plotting and vivid characters will keep readers on the edge of their seats, eagerly turning pages to unravel the captivating mystery that unfolds.

## **Experience the Masterwork of Psychological Suspense**

For fans of psychological thrillers, "Compulsion" is an unmissable masterpiece. Jonathan Kellerman's exploration of the complex interplay between obsession, brilliance, and the human condition will leave a lasting impact on your mind. Join Alex Delaware on this gripping journey into the shadows of the human heart, and prepare to be captivated by the captivating power of "Compulsion."
