By Rae Stonehouse

In today's fast-paced, digital world, organizations of all sizes are vulnerable to a wide range of crises that can threaten their reputation and bottom line. From data breaches and product recalls to natural disasters and social media firestorms, crises can strike at any time, and it's crucial to be prepared.

Crisis Communication in Canada by Rae Stonehouse is the definitive guide for Canadian organizations to navigate public relations disasters and protect their reputation. With over 3000 words of expert insights, this book provides a comprehensive framework for crisis management, reputation management, and media relations.

Stonehouse, a leading crisis communication expert in Canada, draws on decades of experience to share best practices and proven strategies for managing crises effectively. This book is essential reading for anyone responsible for protecting their organization's reputation, including:

- Public relations and communications professionals
- Media relations specialists
- Corporate communications executives
- Crisis management teams
- Business owners
- Government officials

What You Will Learn

Crisis Communication in Canada will teach you how to:

- Develop a comprehensive crisis communication plan
- Identify and assess potential risks to your organization
- Establish a crisis communication team and assign roles and responsibilities
- Monitor social media and respond to online criticism
- Work with the media to control the flow of information
- Protect your organization's reputation during and after a crisis

Why This Book Is Essential

In today's connected world, a crisis can spread like wildfire, causing irreparable damage to your organization's reputation and bottom line. Crisis Communication in Canada provides the knowledge and tools you need to prepare for and manage crises effectively, protecting your organization's reputation and safeguarding its future.
