With its close proximity to the city and its abundance of green spaces, Annandale is a popular destination for walkers. There are many different walking trails to choose from, ranging from short, easy strolls to longer, more challenging hikes. One of the best ways to explore Annandale is to take one of the many short walks featured in the book 50s Annandale Short Walks.

50s Annandale Short Walks is a comprehensive guide to the best short walks in Annandale. The book features 50 walks, each of which is between 1 and 5 kilometers in length. The walks are all easy to follow and are suitable for people of all ages and fitness levels.

The walks in 50s Annandale Short Walks are divided into four sections:

- **Easy walks:** These walks are perfect for families with young children or for people who are new to walking.
- **Moderate walks:** These walks are a bit longer and more challenging than the easy walks, but they are still suitable for most people.
- **Challenging walks:** These walks are the longest and most challenging in the book, but they offer stunning views of Annandale and the surrounding area.
- **Thematic walks:** These walks focus on a particular theme, such as Annandale's history, architecture, or green spaces.

Each walk in 50s Annandale Short Walks includes a detailed description of the route, as well as information on the distance, duration, and difficulty level of the walk. The book also includes maps and photographs to help you plan your walk.

Whether you are a lifelong resident of Annandale or a first-time visitor, 50s Annandale Short Walks is the perfect way to explore this charming and historic suburb. With its comprehensive guide to the best short walks in Annandale, the book will help you discover the hidden gems of this vibrant community.
