## A Geological Marvel

Lake Chelan is a geological marvel that was formed by the cataclysmic Missoula Floods over 10,000 years ago. These floods carved out a deep canyon in the Earth's crust, which was subsequently filled with water to create this magnificent lake. The towering cliffs that surround the lake are a testament to the power of nature and provide breathtaking views from every angle.

## **Outdoor Recreation Paradise**

Lake Chelan is an outdoor recreation paradise that offers a wide range of activities for every taste. From water sports to hiking, camping, and wildlife viewing, there is something for everyone to enjoy.

### **Water Sports**

Lake Chelan's crystal-clear waters are perfect for swimming, boating, fishing, and waterskiing. There are also several marinas and boat ramps around the lake, making it easy to get out on the water and enjoy the sun and scenery.

## **Fishing**

Lake Chelan is home to a variety of fish species, including rainbow trout, kokanee salmon, and smallmouth bass. Whether you're an experienced angler or just starting out, you're sure to have a great time fishing in the lake's pristine waters.
