Dixie Hemingway is back in action in A Haunting Case of Murder, the 10th book in the popular Dixie Hemingway Mysteries series. This gripping mystery follows Dixie as she investigates the murder of a young woman who was found dead in her own home.

The victim, 22-year-old Sarah Jones, was a bright and promising young woman with her whole life ahead of her. She was found dead in her bed, apparently strangled. There were no signs of a struggle, and the only clue was a strange symbol carved into her chest.

Dixie is called in to investigate, and she quickly realizes that this is no ordinary murder. Sarah Jones was involved in a secret society, and Dixie soon discovers that her death may be connected to a dark and dangerous world of ritual and sacrifice.

As Dixie delves deeper into the case, she finds herself in danger at every turn. She is stalked by mysterious figures, and she receives threatening phone calls. But Dixie is not one to back down, and she is determined to find Sarah Jones's killer, no matter what the cost.
