A Scholarly Edition Par Excellence

Meticulously edited by renowned classical scholar Richard Rutherford, this edition of Iliad VI sets the gold standard for scholarship. Rutherford's detailed provides a comprehensive overview of the poem's historical, literary, and mythological context, equipping readers with a deep understanding of the work's significance.

The text itself is presented in both its original Greek and a facing English translation, providing a seamless transition between the ancient text and its modern interpretation.

Detailed Commentary and Notes

Beyond the core text, this edition includes an invaluable commentary that illuminates the complexities of Iliad VI. Rutherford's expert annotations provide in-depth explanations of Homeric grammar, syntax, and vocabulary, as well as insights into cultural and historical references.

Detailed notes accompany each line of the Greek text, offering a wealth of background information on characters, events, and archaeological discoveries. These notes are essential for students seeking a thorough understanding of the poem's narrative and themes.

Features for Enhanced Study

This comprehensive edition also includes a range of features designed to enhance your study and appreciation of Iliad VI:

- **Glossary of Terms:** An extensive glossary defines key terms and concepts related to ancient Greek culture, mythology, and the Trojan War.
- **Maps and Illustrations:** Detailed maps and illustrations bring the world of Homer to life, providing visual aids for understanding the geography and events of the poem.
- **Bibliography and Further Reading:** A comprehensive bibliography and list of further reading suggestions guide you to additional resources for deeper exploration.
