Last Thoughts Before The Exit is a thought-provoking and deeply moving exploration of the human experience of death. Through a series of intimate and revealing interviews, author follows the lives of seven individuals as they face the end of their lives.

The book offers a unique and profoundly personal perspective on the human condition and the meaning of life. Through the stories of these seven individuals, we learn about the different ways that people cope with death, the regrets they have, and the hopes they hold for the future.

Last Thoughts Before The Exit is a must-read for anyone who is interested in exploring the human experience of death. It is a book that will challenge

your assumptions about death and dying, and will leave you with a new appreciation for the preciousness of life.

Seven Individuals, Seven Stories

The seven individuals featured in *Last Thoughts Before The Exit* come from all walks of life. There is a young woman who is dying of cancer, a middle-aged man who is facing a terminal illness, an elderly woman who is preparing for her own death, and a hospice worker who has seen countless people die.

Each of these individuals has a unique story to tell, and each of their stories offers a different perspective on the human experience of death. Through their words, we learn about the different ways that people cope with death, the regrets they have, and the hopes they hold for the future.
