

Lessons for Essa: The National Education Policy Center Series

In this new book, leading scholars analyze the Every Student Succeeds Act (ESSA) and offer guidance on how it can be implemented to improve equity and excellence in American education.

The Every Student Succeeds Act (ESSA) is a new law that reauthorizes the Elementary and Secondary Education Act (ESEA). ESSA represents a significant shift in federal education policy, giving states and districts more flexibility in how they design and implement their education systems. This book provides a comprehensive analysis of ESSA, examining its major provisions and implications for education policy and practice.
