The Last Emperox is a space opera novel by John Scalzi, first published in 2020. It is the sequel to The Collapsing Empire and the second book in the Interdependency series. The novel follows the story of Cardenia, the last surviving member of the Interdependency's ruling family, as she tries to rebuild her empire and defeat her enemies.

The novel begins with Cardenia in hiding, after the events of The Collapsing Empire. She is being hunted by the Assembly, a group of powerful families who want to control the Interdependency. Cardenia must travel across the galaxy, gathering allies and resources, in Free Download to defeat the Assembly and reclaim her throne.

Along the way, Cardenia meets a variety of characters, including Kiva Lagos, a former soldier who has sworn to protect her; Nadashe Verd, a brilliant scientist who is working on a way to cure the Collapse; and Nils Rodriguez, a charismatic politician who is trying to unite the Interdependency against the Assembly.

The Last Emperox is a thrilling and exciting space opera adventure. It is full of action, intrigue, and humor. Scalzi's writing is sharp and witty, and his characters are well-developed and relatable. The novel is a must-read for fans of space opera and science fiction.
