Twisted is a gripping psychological thriller that will keep you on the edge of your seat from beginning to end.

Petra Connor has crafted a masterpiece of suspense that will haunt your thoughts long after you finish reading it. The story follows the lives of three women who are connected by a dark secret. As their lives intertwine, the truth about their past comes to light, and the consequences are deadly.

The novel begins with the disappearance of a young woman named Sarah. Her friends, Emily and Jessica, are desperate to find her, but they soon realize that she has vanished without a trace. As they search for answers, they uncover a web of lies and deceit that leads them to a shocking .

Emily is a strong and determined woman who is determined to find her friend. She is willing to do whatever it takes to uncover the truth, even if it

means putting herself in danger. Jessica is a more timid woman who is afraid of what she might find. She wants to believe that Sarah is still alive, but she knows that the chances are slim.

As the investigation progresses, Emily and Jessica learn more about Sarah's past. They discover that she was involved in a dangerous relationship with a man named Alex. Alex is a charismatic but manipulative man who has a dark side. He is the prime suspect in Sarah's disappearance, but he denies any involvement.

Emily and Jessica are determined to prove Alex's guilt, but it is not an easy task. Alex is a master manipulator who knows how to cover his tracks. He is also willing to do whatever it takes to protect himself, even if it means hurting others.

As the stakes get higher, Emily and Jessica find themselves in a race against time. They must find Sarah before it is too late, but they also know that Alex will stop at nothing to prevent them from succeeding.

Twisted is a fast-paced and suspenseful thriller that will keep you guessing until the very end. Petra Connor has created a cast of unforgettable characters and a plot that will haunt your thoughts long after you finish reading it. If you are a fan of psychological thrillers, then you will not want to miss this book.
