The Education Charter: Education First Volume is a must-have for anyone interested in the future of education. This thought-provoking book challenges conventional wisdom and offers a fresh perspective on how we can create a more equitable and effective education system for all.

In this volume, the authors present a comprehensive vision for education reform. They argue that the current system is failing our students and that we need to make fundamental changes to the way we think about and deliver education.

The Education Charter offers a roadmap for how we can achieve these goals. The authors provide specific recommendations for reforming curriculum, instruction, assessment, and teacher preparation. They also discuss the importance of school choice and parental involvement.

The Education Charter is a call to action for all of us who are committed to improving education for our children. It is a must-read for anyone who wants to be part of the solution.

What's Inside The Education Charter: Education First Volume

The Education Charter is divided into three parts:

1. **The Challenge:** This section diagnoses the problems with the current education system and presents a compelling case for change.
2. **The Vision:** This section articulates a clear and comprehensive vision for education reform.
3. **The Path Forward:** This section provides specific recommendations for how we can achieve the vision outlined in the book.

The Education Charter is a comprehensive and thought-provoking book that will challenge your thinking about education. It is a must-read for anyone who wants to be part of the solution to our education crisis.

Who Should Read The Education Charter: Education First Volume

The Education Charter is essential reading for:

- Educators
- Policymakers
- Parents
- Students
- Anyone who cares about the future of education

If you are passionate about education and want to make a difference, then The Education Charter is the book for you.

About the Authors

The Education Charter is written by a team of experts in education reform. The authors have decades of experience in teaching, research, and policymaking. They are committed to improving education for all students.

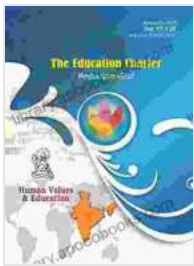

The authors of The Education Charter are:

- **Diane Ravitch:** Diane Ravitch is a historian of education and a leading critic of the current education reform movement. She is the author of several books on education, including *The Death and Life of the Great American School System* and *Reign of Error: The Hoax of the Privatization Movement and the Danger to America's Public Schools*.
- **Frederick M. Hess:** Frederick M. Hess is the director of education policy studies at the American Enterprise Institute. He is the author of several books on education policy, including *The Great Curriculum Debate* and *Education Unbound: The Promise and Pitfalls of Market-Based Reform*.
- **Chester E. Finn, Jr.:** Chester E. Finn, Jr. is a senior fellow at the Thomas B. Fordham Institute. He is the author of several books on education reform, including *The Case for School Choice* and *Education Reform and the National Interest: How America Can Compete in the 21st Century*.
