

Voices of Generation Three: Millennial Plays That Echo the Zeitgeist

Millennials are the generation that came of age after the turn of the millennium. They grew up with technology, social media, and a globalized economy. As a result, they have a unique perspective on the world, which is reflected in their art.

Voices of Generation Three: Millennial Plays is a collection of plays that explores the experiences of Millennials from a variety of perspectives. The plays in this collection deal with issues such as social justice, mental health, and the search for identity. They are written by a diverse group of playwrights, and they offer a unique and insightful look at the world through the eyes of Millennials.

The Plays in Voices of Generation Three

The plays in Voices of Generation Three are all written by Millennial playwrights, and they offer a diverse range of perspectives on the experiences of this generation.

- ***The Revolutionists*** by Lauren Gunderson is a comedy about four women who are involved in the French Revolution. The play explores the women's struggles for equality and justice, and it offers a unique perspective on this historical event.
- ***Sweat*** by Lynn Nottage is a drama about a group of factory workers who are struggling to make ends meet. The play explores the economic and social challenges facing the working class in America, and it offers a powerful indictment of the system that perpetuates poverty.
- ***Pass Over*** by Antoinette Nwandu is a play about two young black men who are waiting for a train. The play explores the experiences of young black men in America, and it offers a powerful commentary on race and violence.
- ***The Wolves*** by Sarah DeLappe is a play about a girls' soccer team. The play explores the pressures that young women face, and it offers a unique perspective on female adolescence.
- ***What the Constitution Means to Me*** by Heidi Schreck is a play about the author's personal experiences with the Constitution. The play explores the history of the Constitution, and it offers a unique perspective on its meaning and relevance today.

The plays in *Voices of Generation Three* are all powerful and moving works of theatre. They offer a unique and insightful look at the experiences of Millennials, and they are sure to resonate with audiences of all ages.
