Cat Toy

Our kitten has a special toy
I'm not sure she deserves,
It gives her lots of exercise,
but it's getting on my nerves!

She gives the toy a mighty whack
and sends it spinning down the hall,
then yowls out with sheer delight
when it smacks against the wall.

When that game becomes a bore,
she bats it down the stairs,
It bounces uncontrollably
and ricochets off the chairs.

My little brother laughs at her,
but I'm not as thrilled as he:
Since our kitten's 12 feet tall
her favorite toy is me!
